

Georgia Healthcare Group acquired a district Polyclinic in Tbilisi

Georgia Healthcare Group PLC (the "**Group**" or "**GHG**") announces that it has acquired a new district Polyclinic (outpatient clinic) in Tbilisi, with c.20,000 registered patients. This Polyclinic is the beginning of a new cluster. It is located in the Ortachala neighbourhood, and covers a population of c.50,000. It caters to all age groups and provides a wide range of outpatient services, including general practitioner and specialist physician consultations.

The Polyclinic acquisition is consistent with the Group's strategy to grow its healthcare services business through rolling-out a network of Polyclinics across Tbilisi and in other major cities in Georgia. GHG now operates a total of 12 Polyclinic clusters, of which eight are located in Tbilisi, the capital city, and four in the regions.
