

## Georgia Healthcare Group launches a new Polyclinic cluster in East Georgia

Georgia Healthcare Group PLC (the "**Group**" or "**GHG**") announces that it has launched a new Polyclinic (outpatient clinic) cluster in Marneuli (the "**Cluster**"), East Georgia. The Cluster covers a population of c.105,000. Like the other Polyclinics, it caters to all age groups and provides a wide range of outpatient services, including general practitioner and specialist physician consultations, imaging and functional diagnostics, as well as clinical, biochemical and serological laboratory tests.

The launch of the Marneuli Polyclinic is consistent with the Group's strategy to grow its healthcare services business through rolling-out a network of new Polyclinics across Tbilisi and in other major cities in Georgia. GHG now operates a total of 11 Polyclinic clusters, of which seven are located in Tbilisi, the capital city, and four in the regions.
